UN75 PEOPLE’S FORUM FOR THE UN WE NEED
14 & 15 MAY 2020
VIRTUAL FORUM

Hosted by UN2020 and Together First, the Forum will virtually bring together civil society and key stakeholders to adopt and discuss ways of moving forward the UN75 People’s Declaration & Program of Action.

The unifying theme of the Forum is advancing people-centered multilateralism, with a focus both on addressing global risks as well as revitalizing the United Nations on the occasion of its 75th Anniversary in September.

This will be a space for participants to advance their work in promoting partnerships for peace, sustainable development, human rights, democracy, climate action and disarmament. Most importantly, it will be an opportunity to look ahead to a post-75 process for strengthening the UN system and global governance.

The People’s Declaration and Plan for Global Action will be presented online to the President of the 74th UN General Assembly, H.E. Mr. Tijjani Muhammad-Bande, on May 14, 2020.

UN Secretary-General António Guterres has been invited to provide keynote remarks at the Forum and take questions related to the themes of the Declaration. Your questions for the Secretary-General can be submitted when you register for the Forum.

Please join us for the UN75 People’s Forum for the UN We Need. A Zoom link and finalized agenda for the meeting will be sent to you on May 12.
